KENNETH R. FLAUM, Individually,

Plaintiff,

vs.

Case No.

4:12cv134

YORK RIVER CROSSING ASSOCIATES,
L.L.C., a Virginia Limited Liability Company,

Defendant.

COMPLAINT

Plaintiff, KENNETH R. FLAUM, Individually, on his behalf and on behalf of all other mobility impaired individuals similarly situated, (sometimes referred to as "Plaintiff"), hereby sues the Defendant, YORK RIVER CROSSING ASSOCIATES, L.L.C., a Virginia Limited Liability Company, (sometimes referred to as "Defendant"), for Injunctive Relief, attorney's fees, litigation expenses, and costs pursuant to the Americans with Disabilities Act, 42 U.S.C. § 12181 et seq. ("ADA"), and damages pursuant to Virginia law and states as follows:

JURISDICTION AND PARTIES

1. Plaintiff, Kenneth R. Flaum, is an individual residing in Gloucester, VA, in the County of Gloucester.
2. Defendant's property, YRC Cinemas, is located at 2226 York Crossing Dr., Hayes, VA 23072, in the County of James City.
3. Venue is properly located in the EASTERN District of VIRGINIA because venue lies in the judicial district of the property situs. The Defendant's property is located in and does business within this judicial district.

4. Pursuant to 28 U.S.C. § 1331 and 28 U.S.C. § 1343, this Court has been given original jurisdiction over actions which arise from the Defendant's violations of Title III of the Americans with Disabilities Act, 42 U.S.C. § 12181 et seq. See also 28 U.S.C. § 2201 and § 2202.
5. Plaintiff Kenneth R. Flaum is a Virginia resident, is sui juris, and qualifies as an individual with disabilities as defined by the ADA. Mr. Flaum has a service connected disability and has been evaluated at 100% disabled. Mr. Flaum has back fusions, has rheumatoid arthritis, and had two hip replacements, and uses the aid of a scooter or wheelchair for mobility. Mr. Flaum is totally and permanently disabled due to his service connected disabilities, and he is substantially limited in performing one or more major life activities, including walking. Kenneth R. Flaum has visited the property which forms the basis of this lawsuit and plans to return to the property to avail himself of the goods and services offered to the public at the property. The Plaintiff has encountered architectural barriers at the subject property, which have limited his access to the Defendant's property, and to the goods, services, facilities, privileges, advantages, and accommodations offered at Defendant's property. The ADA violations and barriers to access at the property are more specifically set forth in this Amended Complaint. The barriers to access at the property have also endangered his safety.

COUNT I
(VIOLATION OF TITLE III OF THE ADA) (INJUNCTIVE RELIEF DEMANDED)

6. The allegations set forth in paragraphs 1-5 above are incorporated by reference as if fully set forth herein.
7. Defendant owns, leases, leases to, or operates a place of public accommodation as defined by the ADA and the regulations implementing the ADA, 28 CFR 36.201(a) and 36.104.

Defendant is responsible for complying with the obligations of the ADA. The place of public accommodation that the Defendant owns, operates, leases or leases to is known as YRC Cinemas, and is located at 2226 York Crossing Dr., Hayes, VA 23072.

8. Kenneth R. Flaum has a realistic, credible, existing and continuing threat of discrimination from the Defendant's non-compliance with the ADA with respect to this property as described but not necessarily limited to the allegations in paragraph 10 of this Amended Complaint. Plaintiff has reasonable grounds to believe that he will continue to be subjected to discrimination in violation of the ADA by the Defendant. Kenneth R. Flaum desires to visit YRC Cinemas not only to avail himself of the goods and services available at the property but to assure himself that this property is in compliance with the ADA so that he and others similarly situated will have full and equal enjoyment of the property without fear of discrimination.
9. The Defendant has discriminated against the individual Plaintiff by denying him access to, and full and equal enjoyment of, the goods, services, facilities, privileges, advantages and/or accommodations of the buildings, as prohibited by 42 U.S.C. § 12182 et seq.

The Defendant has discriminated, and is continuing to discriminate, against the Plaintiff in violation of the ADA by failing to, inter alia, have accessible facilities by January 26, 1992 (or January 26, 1993, if Defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 11. The discriminatory violations described in paragraph 10 are not an exclusive list of the Defendant's ADA violations. Plaintiff requires the inspection of the Defendant's place of public accommodation in order to photograph and measure all of the discriminatory acts violating the ADA and all of the barriers to access. The individual Plaintiff, and all other individuals similarly situated, have been denied access to, and have been denied the benefits of services, programs and activities of the Defendant's buildings and its facilities, and have otherwise been discriminated against and damaged by the Defendant because of the Defendant's ADA violations, as set forth above. The individual Plaintiff, and all others similarly situated, will continue to suffer such discrimination, injury and damage without the immediate relief provided by the ADA as requested herein. In order to remedy this discriminatory situation, the Plaintiff requires an inspection of the Defendant's place of public accommodation in order to determine all of the areas of non-compliance with the

Americans with Disabilities Act.

12. Defendant has discriminated against the individual by denying him access to full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of its place of public accommodation or commercial facility in violation of 42 U.S.C. § 12181 et seq. and 28 CFR 36.302 et seq. Furthermore, the Defendant continues to discriminate against the Plaintiff, and all those similarly situated by failing to make reasonable modifications in policies, practices or procedures, when such modifications are necessary to afford all offered goods, services, facilities, privileges, advantages or accommodations to individuals with disabilities; and by failing to take such efforts that may be necessary to ensure that no individual with a disability is excluded, denied services, segregated or otherwise treated differently than other individuals because of the absence of auxiliary aids and services.
13. Plaintiff is without adequate remedy at law and is suffering irreparable harm. Plaintiff has retained the undersigned counsel and is entitled to recover attorney's fees, costs and litigation expenses from the Defendant pursuant to 42 U.S.C. § 12205 and 28 CFR 36.505.
14. Defendant is required to remove the existing architectural barriers to the physically disabled when such removal is readily achievable for its place of public accommodation that have existed prior to January 26, 1992, 28 CFR 36.304(a); in the alternative, if there has been an alteration to Defendant's place of public accommodation since January 26, 1992, then the Defendant is required to ensure to the maximum extent feasible, that the altered portions of the facility are readily accessible to and useable by individuals with disabilities, including individuals who use wheelchairs, 28 CFR 36.402; and finally, if the Defendant's facility is one which was designed and constructed for first occupancy subsequent to January 26, 1993,

as defined in 28 CFR 36.401, then the Defendant's facility must be readily accessible to and useable by individuals with disabilities as defined by the ADA.

15. Notice to Defendant is not required as a result of the Defendant's failure to cure the violations by January 26, 1992 (or January 26, 1993, if Defendant has 10 or fewer employees and gross receipts of \$500,000 or less). All other conditions precedent have been met by Plaintiff or waived by the Defendant.
16. Pursuant to 42 U.S.C. § 12188, this Court is provided with authority to grant Plaintiff Injunctive Relief, including an order to require the Defendant to alter YRC Cinemas to make those facilities readily accessible and useable to the Plaintiff and all other persons with disabilities as defined by the ADA, or by closing the facility until such time as the Defendant cures its violations of the ADA.

20. As a direct and proximate result of Defendant's intentional and negligent failure to remove its barriers to access, Plaintiff has been denied access and his civil rights have been violated.

- b. - c. An award of attorney's fees, costs and litigation expenses pursuant to 42 U.S.C. § 12205, and such other relief as the Court deems necessary, just and proper.
- d. The Court issue a Declaratory Judgment that the Defendant has violated The Virginians With Disabilities Act and award Plaintiff monetary damages from the Defendant pursuant to Section 51.5-46 of the Code of Virginia.
